Philip Webb and T G Jackson's table glass of the 1860s and 70s paved the way for this style of domestic glass. The vase shape is also seen in smaller ribbed drinking glasses and as vases for the King of Siam dinner service and the motto engraved vases, cf. Evans, W. et al. 1995, *Whitefriars Glass*, London: Museum of London, p.80 fig.80; See Jackson, L. 1996, *Whitefriars Glass*, Richard Dennis, p.109 pl.49 for similar examples of this design pattern 910.

3. COMMISSION

Commission is charged to sellers at a flat rate of 15% plus VAT on each lot. There is a lotting charge of £2.50 plus VAT per lot.

4. REMOVAL COSTS

Items for sale must be consigned to the saleroom by and stated deadline and at your expense. We may be able to assist you with this process but any liability incurred to a carrier for haulage charges is solely your responsibility.

5. LOSS AND DAMAGE OF GOODS

a) Loss and Damage Warranty – Kinghams is not authorised by the FSA to provide insurance to its clients and does not do so. However, Kinghams for its own protection, assumes liability for property consigned to it at the lower pre-sale estimate until the hammer falls. To justify accepting liability, Kinghams makes a charge of 1.5% of the hammer price plus VAT. The liability assumed by Kinghams shall be limited to the lower pre-sale estimate or the hammer price if the lot is sold.

b) If the owner of the goods consigned instructs us in writing not to take such action, the goods then remain entirely at the owners risk unless and until the property in them passes to the Buyer or they are collected by or on behalf of the owner, and clause 5(a) is inapplicable.

6. ILLUSTRATIONS

The cost of any illustrations is borne by you. If we consider that the lot should be illustrated your permission will be asked first. The copyright in respect of such illustrations shall be the property of us, the auctioneers, as is the text of the catalogue.

7. MINIMUM BIDS AND OUR DISCRETION

Goods will normally be offered subject to a reserve agreed between us before the sale in accordance with clause 8. We may sell lots below the reserve provided if we can account to you for the same sale proceeds as you would have received had the reserve been the hammer price. If you specifically give us a "discretion" we may accept a bid of up to 10% below the formal reserve.

8. RESERVES

a) You are entitled to place prior to the auction a reserve on any lot consigned, being the minimum hammer price at which that lot may be sold. Reserves must be reasonable and we may decline to offer goods which in our opinion would be subject to unreasonably high reserves {in which case goods carry the storage (Condition 17) and loss damage warranty (Condition 5(a) charges as stipulated in these Terms of Consignment}.

b) A reserve once set cannot be changed except with our consent.

c) Where a reserve has been placed only we may bid on your behalf and only up to the reserve (if any) and you may in no circumstances bid personally.

d) Reserves are not usually accepted for lots expected to realise below £50.

9. ELECTRICAL ITEMS

These are subject to detailed statutory safety controls. Where such items are accepted for sale you accept responsibility for the cost of testing by external contractors. Goods not certified as safe by an electrician (unless antiques) will not be accepted for sale. They must be removed at your expense on your being notified. We reserve the right to dispose of unsafe goods as refuse, at your expense.

10. SOFT FURNISHINGS

The sale of soft furnishings is strictly regulated by statute law in the interests of fire safety. Goods found to infringe safety regulations will not be offered and must be removed at your expense. We reserve the right to dispose of unsafe goods as refuse, at your expense. The rights of disposal referred to in clauses 9 and 10 are subject to the provisions of The Torts (Interference with Goods) Act 1977, Schedule 1, a copy of which is available for inspection upon request.

11. DESCRIPTIONS

Please assist us with accurate information as to the provenance etc. of goods where this is relevant. There is strict liability for the accuracy of descriptions under modern consumer legislation and in some circumstances responsibility lies with sellers if inaccuracies occur. We will assume that you have approved the catalogue description of your lots unless informed to the contrary. Where we are obliged to return the price to the buyer when the lot is a deliberate forgery under Condition 4 of the Conditions of Sale and we have accounted to you for the proceeds of sale you agree to reimburse us the sale proceeds.

12. UNSOLD ITEMS

If an item is unsold it may at our discretion be re-offered at a future sale. Where in our opinion an item is unsaleable you must collect such items from the saleroom promptly on being so informed. Otherwise, storage charges may be incurred.

13. WITHDRAWN AND BOUGHT IN ITEMS

These are liable to incur charges on being bought in or withdrawn after being catalogued.

14. CONDITIONS OF SALE

You agree that all goods will be sold subject to our Conditions of Sale. In particular you undertake that you have the right to sell the goods either as owner or agent for the owner. You undertake to compensate us and any buyer or third party for all losses, liabilities and expenses incurred in respect of and as a result of any breach of this undertaking.

15. AUTHORITY TO DEDUCT COMMISSION AND EXPENSES AND RETAIN PREMIUM AND INTEREST

You authorise us to deduct commission at the stated rate and all expenses incurred from your account from the hammer price and consent to our right to retain beneficially the premium paid by the buyer in accordance with our Conditions of Sale and any interest earned on the sale proceeds until the date of settlement. You authorise us at our discretion to negotiate a sale by private treaty not later than the close of business 48 hours after the day of sale in the case of lots unsold at auction, in which case the same charges will be payable as if such lots had been sold at auction and so far as appropriate these Terms apply.

17. STORAGE

We disclaim all liability for goods delivered to our saleroom without sufficient sale instructions and reserve the right to make storage charges.

18. SETTLEMENT

Subject to funds having cleared in our account we aim to pay you no later than four weeks following the sale. If the buyer has not paid for the goods no settlement will be made but we will take your instructions in the light of our Conditions of Sale. You authorise any sums owed by you to us on other transactions to be deducted from the sale proceeds. Please note the liability to reimburse the proceeds of sale to us as under the circumstances provided for in Condition 11 above and you should therefore bear this in mind before parting with the proceeds of sale.

INFORMATION FOR BUYERS

1. INTRODUCTION

The following notes are intended to assist buyers particularly those who may be inexperienced or new to our saleroom. All sales are conducted in accordance with our Conditions of Sale. Our staff will be happy to help you with anything you do not fully understand.

2. AGENCY

As auctioneers we usually contract as agents for the seller whose identity, for reasons of confidentiality, is not normally disclosed. Accordingly, if you buy your primary contract is with the seller.

3. THE BUYER

The highest bidder acknowledged as such by the auctioneer will be the buyer. If any dispute arises, the auctioneer has absolute discretion to settle the matter. The auctioneer rules the bidding and bids cannot be retracted. The auctioneer reserves the right to refuse any bid.

The successful bidder, whether bidding for himself or for a third party, is entirely responsible for paying for the lots they have bought in accordance with Kinghams's Conditions of Sale and Business. The auctioneer reserves the right to bid on behalf of the sellers for any lot and to withdraw, consolidate or divide any lot or lots.

4. REGISTRATION

Unless registered already on a bidding platform, it is essential that all prospective buyers register with us, giving their full name, address, contact telephone number(s) and email address. First time buyers will be required to provide proof of identity (i.e. driving licence/passport), a valid debit or credit card and a copy of a utility bill confirming their name and address. Upon receipt of the above a paddle will be issued, which is only valid for the current sale. The paddle may be used to indicate your bids to the Auctioneer during the sale. If successful, the bidder must ensure that their number can be seen by the Auctioneer and that it is their number that is called out. Should there be any doubts as to price or buyer, please draw the Auctioneer's attention to it immediately.

5. BUYER'S PREMIUM - COMMISSION CHARGES

There is a buyer's premium of 25% plus VAT on the hammer price of each lot up to and including £500,000. The buyer's premium is 18% plus VAT on the hammer price of each lot on the excess of £500,001 up to and including £1,000,000. The buyer's premium is 15% plus VAT on the hammer price of each lot on the excess of £1,000,001.

6. VALUE ADDED TAX

Lots on which the buyer may have to pay VAT on the 'hammer price' are indicated in the catalogue with the following symbol *. The buyer must pay this VAT at the rates that apply on the day of the auction in addition to the buyer's premium and VAT thereon.

7. AUCTIONEERS MARGIN SCHEME

This scheme allows auctioneers to sell items without VAT on the hammer price. The buyer then pays an amount equivalent to VAT. This amount cannot be refunded and is not shown separately on the invoice.

8. PAYMENT

Buyers must pay in full before items can be removed from the premises (please see "payment methods" below).

Invoices will be issued from the day of the sale. Buyers must pay their invoice in full within 24 hours and advise when they will be collecting their item(s). Any invoices which remain unpaid after seven days will incur interest at 5% above the base rate, charged from the date of the sale. If buyers are unknown to us, we cannot hand over purchases unless we have adequate references or payment is cleared.

If instructed, Kinghams will execute bids and advise prospective buyers. This service is free.

Buyers who cannot come to a sale may leave their bid with our staff after/during viewing, or make their bid in advance by telephone or email (enquiries@kinghamandormeauctioneers.com). Such bids are placed at the buyer's own risk.

Bids must be made at least one hour before the sale starts, but we advise buyers to make bids at the earliest possible opportunity. When making bids, buyers must provide:

Their full name

Contact telephone numbers

The number of the lot they wish to buy

Their maximum bid amount – excluding commission which will be added to the invoice afterwards

Buyers must state what their maximum bid would be. We cannot accept an instruction to 'buy' or unlimited bid.

12. TELEPHONE BIDS

Lines for telephone bidding should be booked 24 hours before the auction. Lines are booked on a "first come first served basis." Kinghams will use information provided by its clients or obtained by Kinghams relating to its clients for the provision of auction services or as required by law. Kinghams may need to record telephone conversations for security or legal reasons or as necessary to provide a higher quality of service. Clients agree that Kinghams may use sensitive information that they supply to Kinghams. Unless permitted by law, Kinghams will not otherwise process sensitive personal data without express consent. By agreeing to the Conditions of Sale and Business, clients agree to the processing of their personal information.

14. STORAGE AND COLLECTION

Please note all items after the auction will be removed to store. Arrangements for collection can be made with the office.

15. ELECTRICAL GOODS AND SOFT FURNISHINGS

These are sold as 'antiques' only and if bought for use must be checked over for compliance with safety regulations.

16. EXPORT OF GOODS

Buyers intending to export goods should check whether an export licence is required and whether there is any specific prohibition on importing goods of that character because e.g. they may contain prohibited materials such as ivory. Ask us if you need help.

17. PACKING AND DESPATCH

We offer a packing and despatch service for smaller lots. We also use national and local carriers. Further details can be obtained from our office.

18. DROIT DE SUITE ROYALTY CHARGES

A work of art by a living artist, or those who have died within the last 70 years, which costs more than the UK sterling equivalent of €1,000 will incur a royalty charge. We pass this payment onto the Design and Artists Copyright Society (DACS), and do not charge a handling fee. Buyers can calculate royalty charges on the DACS website.

Items marked with the † symbol in the catalogue will potentially incur royalty payments.

We use the euro to UK sterling exchange rate which applies on the day of the sale. It is the buyer's responsibility to check the relevant exchange rate.

The actual qualifying threshold is calculated by the Artist's Resale Right Service Hub based on the European Central Bank reference rate published at 2.15pm on the day of the sale, and can be found on the DACS website.

The royalty charge for pictures which achieve a hammer price of more than the UK sterling equivalent of €1,000, but less than the UK sterling equivalent of €50,000 is 4%. On works of art that achieve a hammer price of more than the UK sterling equivalent of €50,000 a sliding scale of royalty charges applies. For a complete list of the royalty charges and threshold levels please download more information from the DACS website.

The royalty charge is added to invoices, and must be paid before purchases are removed. VAT is not paid on royalty charges.

19. CITES LICENSE - IMPORTANT NOTICE RELATING TO SPORTING AND NATURAL HISTORY

Clients intending to import/export any item derived from natural history specimens into/from a non-European country should first check for any Import/Export and possession restrictions prior to bidding/selling.

Certain species (A) are also subject to CITES regulations when exporting/importing these items out of the EU. CITES regulations are given on www.ukcites.gov.uk or maybe obtained from Animal Health, Wildlife Licensing and Registration Service, Zone 1/17, Temple Quay House, 2 The Square, Bristol BS1 6EB. Those species that are covered by the US Endangered Species Act (USESA) or The Migratory Bird Treaty Act (MBTA): potential US bidders should check with USF&W (US Fish and Wildlife Services) for trade/possession restrictions in the US prior to bidding.
